

October 2025

The Municipality of Anchorage Project Management & Engineering Department (MOA PM&E) is planning to upgrade the following Norann Subdivision roadways: W. 57th Avenue, W 58th Avenue and a portion of Cope Street (see map on reverse). Improvements will include:

- New road foundation
- New asphalt pavement
- New curb & gutter
- New storm drain system
- New pedestrian facilities
- Select water & sewer service replacements to accommodate the storm drain improvements
- New street lighting

OPEN HOUSE #2: Monday, November 17 - 4:30 pm to 6:30 pm

The Arctic Rec Center, 4855 Arctic Blvd

Join us at the next public open house to discuss the Preliminary (65%) Design and provide valuable input to the project team.

The MOA has contracted with CRW Engineering Group, Inc. (CRW) to provide engineering and design services. The project is funded only through the design phase. No funding for construction has been received at this time.

You're Invited!
